Sponsorship Package

A Sponsorship that Connects

As traditional models of journalism are changing in today's world, meaningful high quality journalism is needed more than ever for the health of our communities and the democratic society we all value.

Be part of the celebration of an exciting new expansion of TVO's current affairs, the launch of four local Ontario hubs supported by **Lead Sponsor, Barry and Laurie Green.**

Connect to Ontario values. Connect with Ontario influencers. Connect in celebration of quality Ontario journalism that matters.

Sponsor this unique evening of celebration, conversation and inspiration.
